

WELCOME TO SCHNAUZER & BEAGLE BREWERY

Our Brewery

The heart and soul of Schnauzer & Beagle, we are passionate about making great tasting, full flavour beer by utilising high quality ingredients.

The small batch size of our brewery allows us to produce several standard brews as well as a of variety speciality beers that will rotate.

Our focus is on sustainable, local sourced ingredients/food (where possible). We aim to minimise waste by utilising philosophies such as "root to leaf".

We are hoping you have a great time at our brewery and enjoy our beers and food as much as we do!

Transparenz & Qualität

... sind uns besonders wichtig, weil's **nicht** egal ist, was wir essen und woher unser Essen kommt.

So werden in all unsern Speisen ausschließlich **Bio-Eier** , **Bio- Milch** und **österreichisches Fleisch** (Geburt, Aufzucht & Schlachtung) verwendet.

Für unsere Pies verwenden wir nur **Bio- Fleisch** aus Österreich.

Wir versuchen soweit wie möglich all unsere Milchprodukte in Bioqualität zu beziehen.

Von u.a. folgenden Produzenten beziehen wir unsere Lebensmitteln

Seit 1980 arbeitet die Familie Bauer biologisch in Zusammenarbeit mit 3 Biobauern in hervorragender Qualität.

„Bio Mio versteht sich als direkter Link zwischen den Bäuerinnen und Bauern und Kundinnen und Kunden.

Der direkte Kontakt zu beiden ist wichtig und soll ein wenig dazu beitragen, dass kleinbäuerliche, biologisch wirtschaftende Betriebe ihre gute Ware in der Stadt verkaufen können. „

Olivenöl - Spanien

Wir haben über CrowdFarming einen Olivenbaum adoptiert und bekommen nun 1x/Jahr eine größere Menge geliefert. Übrigens, er ist nach dem Spitznamen unserer Beagledame benannt: Nutty
